

**Science and Engineering Council Of Santa Barbara**  
[www.scieng.org](http://www.scieng.org)  
**Over 50 years!**

## Sponsor the SEC

- The Science and Engineering Council of Santa Barbara, Inc. (SEC) is a nonprofit organization devoted to providing interaction among individuals, companies, and institutions engaged in scientific and engineering activities within the Santa Barbara County area. The SEC activities promote public awareness of science and the value of technical enterprises to the community.
- We provide monthly luncheon programs which provide a forum for presentation of topics of interest, and an opportunity for meeting fellow engineers, scientists, and business professionals.
- We meet on the 2nd Wednesday of each month, from 12:00—1:30 pm., at the High Sierra
- The SEC sponsors scholarships through the Santa Barbara Scholarship Foundation
